

Hi TVC Fusion Families!

We hope you and your students have had a wonderful summer full of great memories!

Just wanted to reach out and let you know it's time for the start of our regular Fusion season! Kick-Off weekend is September 12th for the Hastings campus and 15th for the Middleville and Delton campuses so mark your calendars and make sure your students are planning to join us! Just a reminder that Fusion is open to **all students** regardless of church attendance- so that means friends who attend other churches or don't attend church at all are invited and welcome! So please encourage your students to invite their friends because it's just a fact that Fusion is more fun with friends!

Our team is looking forward to seeing everyone back this year! As always, if you have any questions or concerns, please contact us. Our hope is to partner with you to help your student make a lasting connection with God, help them connect with leaders who are great role models, help provide a safe environment where they can be themselves, be accepted just as they are and have fun! And don't forget- we're here for you! It takes a village to raise kids and we know how hard parenting can be so if we can be a resource for you- please reach out! We'd love to help in any way we can. Thank you for trusting us with your students!

Also, if you would love to be involved, we need parent helpers, small group leaders, audio/visual volunteers and much more! Fill out an application to help at tvcweb.com/serve
